[redacted] Met with Lee Williams, Administrative Assistant to Senator J. W. Fulbright, concerning a constituent inquiry from a woman whose daughter travelled to Spain with a student group some time ago. I provided Williams with a suggested reply to the constituent's letter along with a column by William S. White. Williams said this would be very useful and would serve their purposes in handling this "constituent inquiry."

[redacted] Handcarried to Herb Atkinson, Senate Armed Services Committee staff, a newspaper item on [redacted] (see Journal of 28 February) about whom Atkinson had made inquiry.

[redacted] Met with Scott Cohen, Executive Assistant to Senator Charles Percy. In response to his request for assistance in handling constituent inquiries on the NSA matter, I left with Cohen a copy of our "support package" and an Agency pamphlet. Cohen said these would be most useful in handling the flood of mail they have been receiving on this subject and asked if we could get a supply of the pamphlets to him.
